## RE: REQUESTS FOR INFORMATION

Frequently departments on the campus receive letters from interested persons requesting information about the College or a problem related to deafness. This usually occurs when letters are addressed only to "Gallaudet College" and the letter ends up in a particular department's mail collection. If you will pass such requests for information to the Office of Alumni and Public Relations we will be happy to handle it for you. That is one of the functions of our office. --- Jack Gannon.

#### BACK THEN ON THE GREEN

While doing fall housekeeping several weeks ago in the basement of College Hall, Sam Wagner, Bill Good and Judy Meade came across a most intriguing report titled "Liquidation of Farm Stock and Equipment". Dated May 20, 1946, the report revealed the following information:

##### Milk Cows

|       |       |
|-------|-------|
| Belle | \$175 |
| Pearl | 150   |
| Liz   | 150   |

##### Beef Cows

|       |     |
|-------|-----|
| Sarah | 25  |
| Zola  | 50  |
| Ruth  | 110 |

|                    |    |
|--------------------|----|
| 1 Heavy Sow        | 50 |
| 1 Aged Bull        | 50 |
| 1 18 Year Old Mare |    |
| Not Sound          | 30 |

##### Livestock on Hand

3 Old Sows  
275 Young Chickens  
300 Hens

The College, then known as the Columbia Institution of the Deaf, decided in December, 1945 to dispose of the farm in view of its inability to hire competent farm labor. Imagine having to wend your way through a cow pasture in order to go from College Hall to Hall Memorial.
